

FINANCIAL MANAGEMENT

MANAGING THE MONEY

With one of Northern Europe's largest expert teams, Newsec offers quality-certified processes, reliable services and tailored reports that you can rely on. We tailor our services to each client's needs, able to provide regular accounting and consolidation, legal and financial reporting, IFRS reporting, and advice and support in acquisitions or sales of companies and properties.

We manage day-to-day contacts with your tenants, ensuring rents are paid on time and administered correctly. Always with the security you demand. Our guarantee to you is individualised and efficient management of your company's finance and accounting processes using modern technologies. That means precision, order, professionalism and always being on time.
